Answer her
My dear Mrs. Summis,-

Recently I chanced upon a collection of your songs at a friends home, and I am writing to inquire if you could oblige me by sending one of the Collections to my address. I want to send it to my sister who before her marriage lived in Pasadena and has always enjoyed the Spanish songs very much. She has a very beautiful mezzo-soprano voice and often sings many of the Spanish songs with her guitar accompaniment. I believe that the title of the collection that I am wanting to send her is:-

"Spanish Songs of Old California"
and the price of it is \$1.50. You will find my personal check enclosed with the allowance for any possible postage included. Thanking you for this favor. I am sincerely
(Mrs Carter) Elizabeth J. Bennett.
